SHIPPING INFORAMTION

PARCEL POST SHIPMENTS: On all articles for which you pay shipping charges, the shipping weight is given in the catalog description. Enter the total shipping weight for each article in the shipping-weight column of the order blank. Add the pounds and ounces, then change ounces to full pounds (16 ounces equals 1 pound), and enter total weight in pounds. The postoffice counts fractions of a pound as a full pound and charges postage accordingly. For example: If your order totals 6 pounds and 30 ounces, allow postage for 8 pounds (30 ounces equals 1 pound and 14 ounces, therefore 1 pound 14 ounces plus 6 pounds equals 7 pounds 14 ounces).

See chart at right. If you live in Zone 3 or within 151 to 300 miles from Mail Order House, the amount of postage to allow for 8 lbs. is 60c. If you send more money than is needed to ship your orders, we will refund every cent not used.

FREIGHT OR EXPRESS SHIPMENTS: It is not necessary to send money to pay for freight and express shipping charges in advance. You pay shipping charges to agent at your freight station when goods are received. However, if there is no agent at your freight or express station, please include additional money with your order to prepay shipping charges. While express is faster, freight is the most economical way to ship heavy, bulky merchandise. Before marking method of shipment on order blank, compare freight and express rates on green pages of your Sears big catalog.

TRUCK SHIPMENTS: Not all trucking companies make deliveries to a home address. This can be verified by checking with your trucking company's local agent.

If shipment is to be made to your home and you live outside of town, also give your highway route number and some identifying landmarks.

It is not necessary to send money to pay for truck transportation charges on your order. You pay shipping charges to truck driver when goods are received.

HOW TO SEND MONEY: The best way to send money is by postoffice money order, express money order, or by bank draft or check. The mail carrier will buy a postoffice money order for you if you live on a rural route. It is better not to send coins or paper money with orders, but should it be necessary, be sure to send your order by registered mail.

HOW TO MEASURE MEN'S DRESS TROUSERS. Measure waistline (above hipbone) over trousers with belt off. Hold tape as snug as you wish fit. Have someone take inseam measurement from crotch to length desired, usually to top of heel. Or measure waist and inseam of an old pair of well-fitting trousers (be sure to button trousers before measuring). *State waist and inseam; tell which is waist.*

New! Jackets That Open and Close with a Touch

Remarkable VELCRO closures hold like magic . . contain no moving parts . . can't jam or snag

Grips like the familiar cocklebur. Uses same principle, yet it's not sticky, gluey or thorny. 2 surfaces of nylon Velcro tape adhere at a touch . . grip only each other.

Velcro holds fast even under strain. Thousands of tiny nylon links mesh together forming a perfect bond on contact.

Comfort where it counts. Just press it shut—it stays that way—securely! Opens quickly and easily from either end.

"Open-and-Shut tested" in our laboratory thousands of times in succession and it still worked perfectly!

Satisfaction Guaranteed! Velcro closures are impervious to damage from washing or even dry cleaning.

Nylon Outerwear You Simply Wash'n'Wear

So easy to launder . . these man-pleasing jackets practically do themselves

Important Washing Instructions

Any jacket on this page can be hand washed or washed in a KENMORE or other automatic washer that has a "modern fabric" cycle.

Afterwards, just drip-dry on a wooden hanger and jacket is ready to wear. Of course, for occasional stubborn wrinkles, you can "touch up" lightly with a cool iron.

> **Measure and be sure of a perfect fit**
>
> It's easy! Have someone else measure you over clothing you will wear under jacket. Place tape measure around chest, well up under arms and across shoulder blades in back. Number of inches is your correct size. If between sizes, order the next larger size listed. Satisfaction guaranteed.

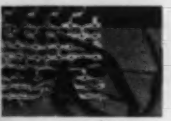
New! Fairloom Wool 'n Lace Afghan Kit . .
No knitting, no crocheting . . just weave it by hand

Complete AFGHAN KIT



complete kit $8.97

Just guide the large needle in and out of the openings in the netting . . . see how quickly it works up . . . takes only about ¼ the time needed to make a regular afghan. So easy, even a child can do it.

- Give the entire kit, or make the afghan yourself in time to give it for Christmas
- Everything you need included in one kit . . . nothing extra to buy . . . illustrated instructions, too

A completely new idea in afghans. With a simple in-and-out motion, you draw yarn through lace netting to produce this lovely afghan. Kit contains 20 oz. of 100% virgin wool 4-ply knitting worsted, enough yarn to make an afghan about 42x75 inches including fringe; rayon lace netting, 40x84 in.; 1 blunt-point 6-in. weaving needle; easy-to-follow, illustrated instructions. Ideal gift for all ages.

*Luxurious Arnel Tricot**

in richly trimmed, modestly priced gift lingerie

Arnel tricot is the wonderful luxury fabric that is preferred by many. Static-free and non-clinging, this lovely fabric drapes beautifully and is opaque. It washes easily (by hand or machine) with only 2% shrinkage. It dries quickly and requires little or no ironing.

These lovely fashions were especially designed and created to please her. They are completely feminine and truly lovely with hand-smocking details and exquisite hand-cut lace inserts. She'll know you care if you remember her with luxury lingerie.

(A)-(B) Enchanting bowed duster or dainty gown. Delicate embroidered floral motifs peep from between folds of hand-smocking on doubled sheer nylon tricot yoke. Yoke, puff sleeves edged in nylon lace.

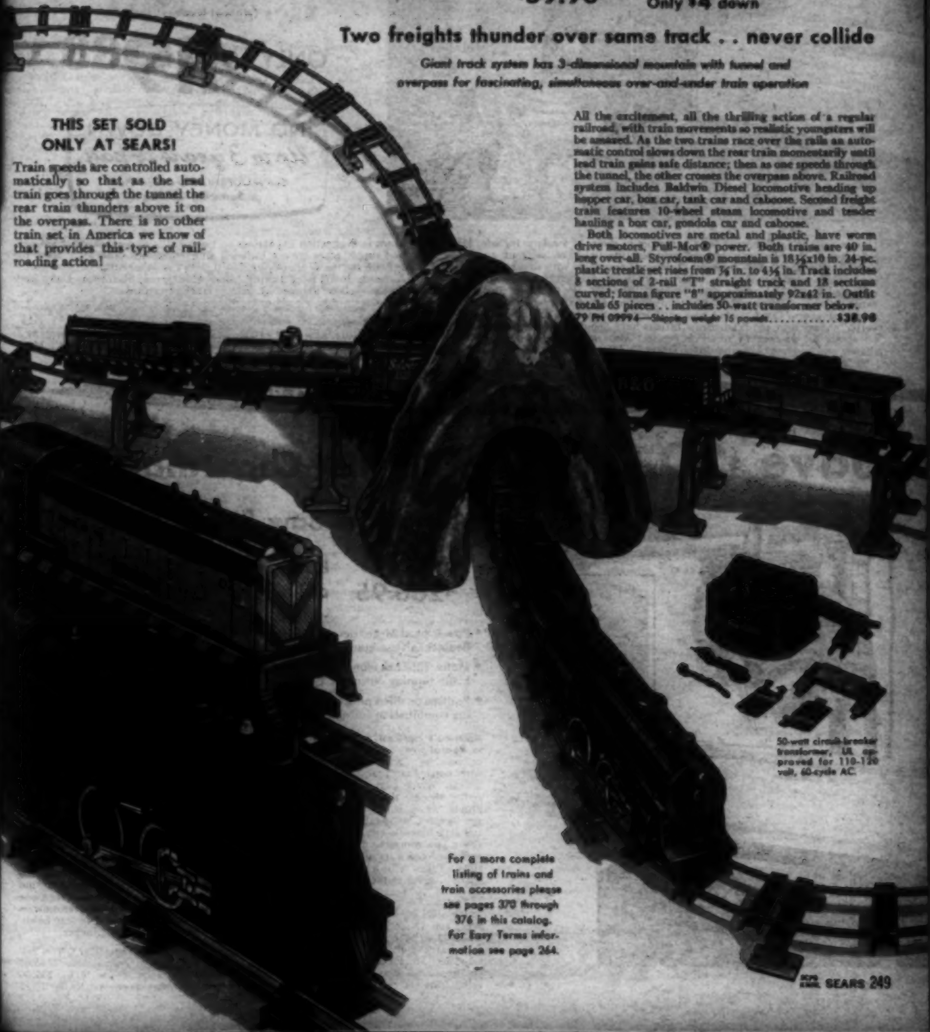
$38.98 cash

Only $4 down

Two freights thunder over same track . . never collide

Giant track system has 3-dimensional mountain with tunnel and overpass for fascinating, simultaneous over-and-under train operation



THIS SET SOLD ONLY AT SEARS!

Train speeds are controlled automatically so that as the lead train goes through the tunnel the rear train thunders above it on the overpass. There is no other train set in America we know of that provides this type of railroading action!

All the excitement, all the thrilling action of a regular railroad, with train movements so realistic youngsters will be amazed. As the two trains race over the rails an automatic control slows down the rear train momentarily until lead train gains safe distance; then as one speeds through the tunnel, the other crosses the overpass above. Railroad system includes Baldwin Diesel locomotive heading up hopper car, box car, tank car and caboose. Second freight train features 10-wheel steam locomotive and tender hauling a box car, gondola car and caboose.

Both locomotives are metal and plastic, have worm drive motors, Pull-Mor® power. Both trains are 40 in. long over-all. Styrofoam® mountain is 18½x10 in. 24-pc. plastic trestle set rises from ⅝ in. to 4½ in. Track includes 8 sections of 2-rail "T" straight track and 18 sections curved; forms figure "8" approximately 92x42 in. Outfit totals 65 pieces . . includes 50-watt transformer below.

79 PM 09994—Shipping weight 15 pounds............$38.98

50-watt circuit-breaker transformer, UL approved for 110-120 volt, 60-cycle AC.

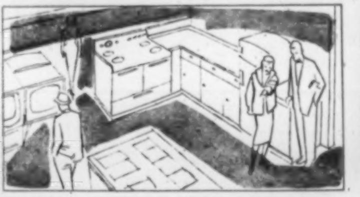
For Extra Services . . For Extra Savings

Shop at Sears Catalog Sales Offices or Retail Catalog Sales Depts.



Phone your order by calling the Catalog Sales Office or Retail Catalog Sales Department nearest you as listed below. Your telephone orders are given the same prompt and careful attention as orders placed in person. Simply give our sales clerk the catalog number, description and price of the merchandise you want. Ask about our money-saving "will-call" service. Sears convenient phone service saves you time and effort . . . it's the easiest way to shop.

Phone your Easy Payment orders. Just give our phone clerk your account number when adding on to your account. If you want to open an account, ask phone clerk for details.

If you prefer to shop in person, visit our Catalog Sales Office. See the interesting merchandise displays and ask to see our many swatch books which help you to select yard goods and fabrics.

The personal service in our Catalog Sales Offices and Retail Catalog Sales Departments will make your shopping easier and more economical. Our salespeople are ready to answer your questions . . . help you make your selections, take necessary measurements, write and mail your order saving you letter postage and money order fees.

Many Sears Catalog Sales Offices employ a qualified Home Service Representative. He will gladly help you with estimates on remodeling work, demonstrate our merchandise and show you samples.

You can save one-third to over one-half of
postage charges on mailable items by picking
your order at Sears Catalog Sales Office or
Catalog Sales Department rather than having
order mailed direct to your home. We group-
packages from our mail order house in Chi
for rush delivery to our Catalog Sales Offices
Catalog Sales Departments and pass this sa
on to you. Try it today and see how much
save. Remember, too, that size and weight li
tions established by the Post Office do not
on Sears catalog orders picked up at any of
Catalog Sales Offices or Catalog Sales Dep

The next time you shop, use Sears handy telephone ordering service . .

How to figure Parcel Post charges

Packages weighing up to 70 pounds and measuring not more than 100 inches in combined length and girth can be sent by Parcel Post in all parcel post zones, except when mailed at a first class post office and addressed for city delivery to another first class post office.

Parcel Post weight limits on packages mailed between first class post offices and addressed for city delivery, are 40 pounds to the Local, 1st and 2nd Zones; and 20 pounds to Zones 3 to 8. The size limit is 72 inches length and girth combined.

Figure postage on total weight of order. The shipping weight of each article is given in the catalog description. When you write your order add the pounds and ounces and change ounces into full pounds (16 ounces to a pound). Then show the total weight in pounds. When figuring postage on packages weighing more than one pound, the post office counts a fraction of a pound as a full pound and charges postage accordingly.

If you don't know what parcel post zone you are in, refer to table at right or ask your mail carrier or postmaster.

Sears Export Service

Sears offers a complete export service to over 100 countries throughout the world. If any of your friends or relatives in a foreign country is interested in buying from Sears catalogs write Sears Personal Service Department at the following mail order houses: *Sears at Philadelphia, Pa.* for Greenland, Central America (except Mexico), Caribbean Islands, South America, Europe, Africa; *Sears at Dallas, Texas* for Mexico; *Sears at Los Angeles, Calif.* for Central Pacific Islands, Philippines, China, Japan, Korea, Australia, New Zealand.

Air Parcel Post Service

Air parcel post is available on any package that can be shipped by regular parcel post, at the following rates:

Parcel Post Zone	*Zones 1 and 2*	*Zone 3*	*Zone 4*	*Zone 5*	*Zone 6*	*Zone 7*	*Zone 8*

IMPORTANT TAX NOTICE

If you live in any of the places listed below, please add to your order an amount, at the rate shown, to cover the following:

Illinois (Expense due to Retail Occupational Tax, 2½c state tax, ½c city tax)	3%
Iowa (Use Tax)	2%
Michigan (Use Tax)	3%
Ohio (Use Tax)	3%

How to order

Shop through this catalog now. List all the things you want on one of our order blanks. However, if you don't have a Sears order blank handy any plain paper will do.

Please be sure to print or write plainly your full name and complete address, including rural route and box number if you live on a rural route. Then give us the catalog number, quantity, name of each item, color, size, price, shipping weight, and any special information or measurements asked for in the description of the item you are ordering. Add the shipping weights of items you are ordering, and change ounces to full pounds (16 ounces to the pound).

Refer to parcel post rates above for amount to include in your remittance for postage, as postage must be paid on parcel post packages before we can ship your merchandise. *If you send too much, every cent extra will be promptly returned to you.* You pay only the exact postage needed to ship your order.

The best ways for you to send money are by post office or express money order, or by bank draft or check. Your mail carrier will be glad to purchase a post office money order for you if you live on a rural route. You can also obtain a money order at your post office or from the local express agent.

Important about prices

If the price of any item in this catalog is reduced in another current catalog, we will fill your order at the lower price and return every penny of the difference to you. **Regardless of which Sears catalog you order from, you always get the benefit of the lowest current catalog prices. We believe that Sears prices save you money and always give you the greatest possible value.**

Prices in this catalog apply only to orders placed by mail, telephone, telegraph or at the Catalog Sales Department in a Sears Retail Store, at a Sears Catalog Sales Office, or in one of Sears Affiliated Stores.

Should the Federal, State or Local Governments increase or impose additional taxes after this book goes to press, we reserve the right to add such taxes to the prices shown. On the other hand, if any existing taxes are reduced or terminated while this catalog is in effect, we shall adjust our prices accordingly.

C.O.D. mail orders

Unless there is a real need for C.O.D. service, we urge you to enclose money order or check with your mail order, thus avoiding the extra expense of shipping C.O.D. which would cause you to lose part of the savings in buying by mail from Sears. On parcel post C.O.D. shipments, in addition to the price of the merchandise and parcel post charges, you pay a C.O.D. collection fee which is an extra charge the post office makes for handling C.O.D. shipments. The post office also charges you a money order fee for forwarding payment to us.

We do not ship C.O.D. orders:—for merchandise that is cut, engraved, printed, or made to special order; for merchandise that is shipped direct from one of our factories; for merchandise to be shipped to foreign countries; for merchandise to anyone other than the person sending us the order; for seeds and perishable goods.

J. C. Higgins official size Composition Wood Tables, can't warp

Say "Merry Christmas to us all" with a table tennis table. These are sturdily constructed to give years of service.

Each has two 4½x5-ft. sections which join together to make official 9x5-ft. table, 30 in. high. Strong tops have green non-glare finish, smart white boundary lines. No dead spots. Top always stays smooth, lively. Metal braces lock legs firmly in place. Legs fold conveniently for storage. Composition wood tops are warp-resistant, smooth. Versatile table can be used as 2 utility tables when not used for table tennis.

Good. ⅜-inch thick Composition Wood top. Durably constructed for rugged use. A fine gift for Christmas. *Only $4.00 down* on Sears Easy Terms.

Insulated and Smart!

Women's nylon innerwear, insulated with Dacron* for weightless warmth!

- Wear outdoors under normal clothes—new, snug-fit design—won't show
- Wear indoors alone—without outer clothes—as cozy, lounging outfit
- Washes easily without matting or lumping, retains original warmth
- Drips dry overnight, won't lose shape, needs little or no ironing

This winter you can stay warm and still look chic—thanks to J. C. HIGGINS insulated innerwear. Dress just as you please—no need for bulky, heavy clothes. J. C. HIGGINS innerwear keeps you toast-warm, yet avoids the "pounds-heavier" look that cold-weather clothes often mean. The secret is our new, exclusive tailored fit . . *plus* miracle Dacron quilted between two layers of easy-care nylon. And these trim togs lead a double life . . you can wear them indoors, too—without outer clothes. Their smart style and colorful design makes them ideal as comfy casual wear for late-night reading or TV viewing.

New! Fiber strip guards rink wall from runners

Portable Ice Rinks

Rigid wall with plastic liner
5 sizes . . biggest choice ever!

16-ft. diameter rink
Was $13.94 $12.94

A Imagine—an ice rink in your own backyard, right under Mom's watchful eye! No time wasted driving youngsters to crowded community ponds. Consists of (1) corrugated bonderized steel wall finished with baked-on green enamel, (2) one-piece seamless plastic liner, (3) fiber guard strip, (4) plastic clips. Guard strip fits over liner and against inner wall, gives protection from skate blades. Deep side walls adapt to slanting ground better than shallower rinks. Just join two wall ends, clip on plastic liner and guard strip, fill with water. Nature does the rest! Portable design lets you shorten wall to fit smaller areas, curve wall slightly to avoid trees. Plastic liner easily repaired, if necessary, with ordinary tape. Instructions.
